Over 500 Stations Contacted During Amateur Radio Meet Last Weekend

Over five hundred stations were contacted in 24 hours time during the weekend amateur radio meet here in Cameron.

The "simulated emergency" meet was held on the farm of Mr. and Mrs. Zeke Brod who live on the Salem Road. About twenty-five operators set up their equipment Saturday morning and early afternoon. The three transmitters, with power supplied by portable power units, were kept in constant operation from 4 p. m. Saturday until 4 p. m. Sunday. During the last two or three hours, contacts were almost continuous. The 500-odd stations contacted is higher than last year's total.

The operators dismantled and packed their equipment in a little over an hour's time. At 5:30 a barbecue was served on the site which shortly before had been humming with radio activity.

Over seventy operators, their wives, and visitors remained for the barbecue. They came from McAllen, San Antonio, Moulton, Temple, Taylor, Killeen, Belton, Hearne, Cameron, and Clovis, New Mexico for the two-day event.

Gasoline Prices Up One Cent in Cameron

Cameron service stations put into effect anticipated retail gasoline price hikes here Wednesday.

Station operators have announced an increase of one cent a gallon at stations representing Texaco, Magnolia, Gulf, Humble, Phillips 66, and Sinclair.

An increase of 1/2 cent a gallon on kerosene was reported by Gulf and Phillips 66, with a 1/2 cent increase on diesel also listed by the latter company.

This increase has been expected since last week when major crude oil purchasers boosted their purchase prices by about 25 cents a barrel.

Some stations raised their prices by one cent about a month ago when the government lifted restrictions on crude oil.

Harper of Rockdale Is Milam Chairman In East-Tex C. of C.

Rockdale business and civic leader John D. Harper was today appointed Milam County chairman of the East Texas Chamber of Commerce.

East Texas Chamber President H. E. Burgess of College Station made the announcement. Harper, works manager of the Aluminum Company of America, will represent the regional chamber in an effort to further develop and stabilize the economy of the 72-county area around and including Milam County.

The East Texas Chamber carries on a number of programs to promote economy and efficiency in government and stimulate business and industrial development in the region.

Intersection On Highway 77 Scene of Two-Car Collision

Failure to see a signal light resulted in a two-car crash Thursday afternoon on Highway 77 within the city limits.

A 1951 Packard, driven by Marian Aloysius Pisarczyk of Los Angeles, California, was traveling east on 77. Pisarczyk failed to see the red signal light at the crossing by Hickman's Store and drove on through the intersection, hitting Knight's taxi, driven by Walter Milligan. Witnesses said Milligan was moving legally on the green light.

According to Sheriff Carl C. Black, who investigated the accident, the side of the taxi, a 1949 Ford, was caved in from the force of the impact, but the Packard actually sustained more damage. Damage to the Packard was estimated at around \$600.

No one in either automobile was injured. No charges were filed and damages to both cars were covered by insurance.

Cameron, Milam Get Permission To File Exception to Railroad Report

Cameron and Milam County have been granted permission to present exceptions to the Examiner's report on the application now pending by the Southern Pacific Railroad to construct an extension to the Rockdale, Sandow and Southern Railroad south of Rockdale, Richard W. Moseley, President said.

Mr. Moseley stated that W. C. Wallace, local attorney representing the Chamber of Commerce, has recently had word from the Interstate Commerce Commission that Cameron's exceptions would be considered by the minority group.

The Examiner of the ICC had previously recommended that the Southern Pacific application not be granted. The local Chamber of Commerce through Mr. Wallace, has presented a brief to the ICC explaining their reasons why the application should be granted. If the application is granted, the Southern Pacific would be permitted to construct an extension and serve the Aluminum Company of America.

The next step for the request will be before the minority group of the ICC.

Rosebud, Lott and Chilton in Falls County have also been permitted to intervene in support of the Southern Pacific's application.

Mrs. Frances Kirk of San Antonio is spending her vacation in Cameron and Temple with relatives and friends.

Fred Petmecky visited in Hutto Tuesday night.

Last Rites Held For Mrs. Cora Cammer Sunday Afternoon

Mrs. Cora L. Cammer, Cameron resident for 71 years, died Saturday morning. Funeral services were held at Marek-Burns Funeral Home Sunday at 4 p. m. with Rev. Aubrey Russell officiating.

Graveside services were held by the local chapter of the Order of the Eastern Star before burial in Oak Lawn Cemetery.

Active pallbearers were Walter Sharpe, A. L. Raymond, Buddy Fuller, Ted Kuehl, Vaughn Jennings, and George Childress.

Honorary pallbearers included Wyatt Wolf, E. O. Schiller, Oxsheer Smith, Penn Wolf, W. O. Newton, E. L. Vogelsang, Lester Williams, H. H. Stedman, and William Moran.

Mrs. Cammer was born in Henderson, Kentucky and came to Texas at the age of 13. She had been director of the Cameron Welfare Board and was active in welfare work in this area for over 50 years.

She was a member of First Baptist Church, the Order of the Eastern Star, the Women's Benefit Association, and the Business and Professional Women's Club.

Survivors are five sons, Ben and Frank Cammer of Houston, Elwood and Jack Cammer of Cameron, and John Cammer of Lamarque; three daughters, Mrs. E. H. Balhorn and Mrs. S. N. Steed of Houston, and Mrs. Howard Redfield of Galveston; two brothers, S. B. Thompson of Temple and Ballard Thompson of Cameron. Twelve grandchildren and 15 great-grandchildren also survive.

Judge Rules Parker To Be Examined By Plaintiff's Doctors

A pre-trial hearing on the case of the Trinity Universal Insurance Company vs. W. W. Parker took place Thursday morning in the chambers of District Judge O. D. Graham.

The hearing was held in response to a motion made by Senator A. E. Wood of Austin, attorney for the plaintiff, in which he asked that the defendant be examined by a doctor of the insurance company's choosing.

Judge Graham ruled that the defendant must report to Dr. W. R. Newton and Dr. J. L. Walker for examination, with the expense to be paid by the plaintiff.

He further ruled that, if the defendant then wished to be examined by a doctor of his own choosing, the doctor's fee would be fixed by the court and paid by the plaintiff.

Parker requests a lump sum payment for injuries received on August 11, 1952. He was then employed by the Cloud Construction Company, Inc. which was building housing units in the vicinity of Rockdale. Parker states that he sustained several broken ribs, a broken right shoulder blade, and severe back injuries as a result of a fall while at work.

Senator J. W. Thomas of Belton is attorney for the defense.

Old Cameron School Grounds To Be Base For Sewer Main Construction

Men from the Cage Brothers contracting company arrived in Cameron Wednesday to set up organization for construction of the new sewer main line. Mayor O. B. Horstmann stated Thursday that the old Cameron school grounds will be used as a base for the operations depot.

The city contracts held by the Cage Brothers locate the new line as follows: The line will run from the general vicinity of the Santa Fe freight office following a general line back and forth across the Southern Pacific Railroad track north to 15th Street. A lateral from this main line

Buckholts Citizens Contribute \$250.50 To Waco Relief Fund

The following letter was received by the Citizens National Bank of Waco from a representative of the citizens of Buckholts:

May 28, 1953
Mr. Walter Lacey, Jr., Pres., Citizens National Bank, Waco, Texas.
Dear Mr. Lacey:

The Citizens of Buckholts wish to express their sincere regrets to Waco and her people because of the terrible damage sustained when struck by the tornado on Monday, May 11, 1953.

In order to share in relieving hardships caused by the tornado, we are happy to enclose a Bank Draft in the amount of \$250.50 which is payable to Waco Disaster Fund, Waco, Texas. We wish this amount could be many times more.

Yours very truly,
Floyd Stark.

The following are those who contributed sums to make up the above check: Mr. and Mrs. B. M. McMillon, \$5; Hugo R. Fuchs, \$10; Service Oil Company, \$10; Service Lumber Company, \$2.50; Waymonds Garage, \$5; F. Greesak, \$2.50; Johnnie Tomascik, \$2; C. H. Grimm, \$3; Joe Zawadzke, \$5; J. R. Slovacek and Company, \$1; Joe Krall, \$1; J. P. Fuchs, \$10; O. H. Denker, \$1; Buckholts Farmers Gin Company, \$10; Modern Gin Company, \$10; A. R. Walschak, \$2; Cecil R. Criswell, \$10; Frank Kohut, \$10; The Buckholts State Bank, \$10; Mitchell and Glaser, \$10; Dudik's Grocery and Market, \$10; Mrs. Tai Woodward, \$2; H. W. Frazier, \$2; E. B. Hyer, \$3; Alvin P. Fannstie, \$1; Frances Stoeber, \$1; Mary Stark, \$1; O. W. Whittington, \$5; C. S. Raney, \$3; Floyd Stark, \$3; N. E. Peeler, \$3; Czech Moravian Church, \$40; Czech Moravian Sunday School, \$30; A. W. Zajicek, \$25; W. E. Kuzel, \$1; and Louisa Bolf, \$50.

At Buckholts the highway will follow the track and no longer will go down the main street. The two sets of right-angle curves, which caused two accidents last week and have been a motoring hazard for years, will be eliminated.

Several years ago Bell county reworked its section of U. S. 190 from Temple to the county line. With this new section completed, Milam County residents will have easy access to Temple and points beyond.

The contract calls for 250 days of work.

Congressman Poage Scheduled to Speak In Rockdale July 4

In his weekly news letter to the Cameron Herald, Congressman W. R. Poage reported this week that he would speak in Rockdale at 11 a. m. July 4.

Following his speech at Rockdale, Poage will speak at 4 p. m. in West, and at 8 p. m. in Belton.

Poage stated, "At these meetings I shall try to report to our people on some of the problems now confronting our country. I shall be glad to see all of you at one or the other of these meetings."

October 5 Set As New Date for Trial Of Johnson vs. Marrs

The case of Sarah I. Johnson et al vs. Maggie S. Marrs, which was scheduled for trial Tuesday, June 23, has been re-set for trial on October 5.

The defendant moved for continuance of the trial stating surprise since new pleadings had been filed within seven days. The defendant stated that the new pleadings made the case an entirely different action. The motion for continuance was granted by District Judge O. D. Graham.

Gause Well Reported Completed, Capped

Unconfirmed reports stated that the well near Gause was completed and capped Tuesday. The dual gasser has an estimated flow ranging from 7,000,000 to 16,000,000 cubic feet daily. Also reported was that a substantial amount of liquids, either oil or condensate, was in the gas.

Milam County has produced little oil or gas so far. Oil production last year averaged only about 145 barrels daily. Business interests are said to be watching reports of the well as closely as oil men and land owners. The new well is 15 miles east of the shallow Minerva pool.

Mr. and Mrs. Melvin Weems will leave June 30 for a two-week vacation. They will attend a Weems family reunion in Cave Springs, Georgia, and will visit Mrs. Weems' sister, Mrs. Fannie Collins in Oxford, Alabama. Mr. and Mrs. Weems will return to Cameron by way of Cedar Bluff.

Delegates From 118 Churches Attend Lincoln District Congress

Representatives from one hundred eighteen churches in this area attended the Lincoln District Congress pre-opening session Tuesday night at the Cameron Grove Baptist Church.

The service began at 8:00 p. m. with the singing of a 40-voice choir composed of singers from the Cameron churches. The session was sponsored by the Jerusalem Baptist Church with Rev. H. K. Karnsbury in charge. Mrs. Inez Nelson is president of the choir.

The District Congress general sessions began Wednesday morning at 8 a. m. and will continue through noon on Friday. Rev. Shelton E. Diggs, president of the district, will supervise the meetings.

During the day there have been auxiliary meetings, demonstrations of Sunday School and BYPU r BTU methods, and ways of teaching Sunday School lessons. Each night there was a preaching service with visiting ministers bringing the evening sermon.

Mr. and Mrs. Bob Barnett and family of Baytown will be guests in the home of her mother, Mrs. Lottie S. Bigbee, during the latter part of the week.

Mr. and Mrs. Edwin Bigbee of Palestine visited their mother, Mrs. Lottie S. Bigbee, and Mr. and Mrs. W. D. Bigbee recently.

Texas and Louisiana officers have apprehended the two men who broke out of the Milam County jail Sunday, May 24. Sheriff Carl C. Black stated Thursday morning.

John Edward Ralph, 33, is being held in the Franklinton jail in Washington Parish, Louisiana. Austin city authorities picked up James Ray Johnson, 19, Wednesday morning.

Since their escape, both men have engaged in a series of robberies and other felonies. Johnson's latest offense was the shooting of two men in the Austin area, one of whom is not expected to live. He has also made a statement to the effect that he burglarized a store at Nolanville. Ralph is charged with a burglary in Salado, Texas and with automobile theft in Louisiana. One of the cars he stole was the Louisiana State Commissioner's car. Sheriff Black talked by telephone with the Washington Parish District Attorney, James T. Burns, in Covington, La., Wednesday night. Burns expressed his willingness to release Ralph to Sheriff Black.

Both men will be returned to Milam County for trial. They are charged here with the burglary of Kopecky's Jewelry Store in Rockdale.

The double jail break on May 24 was almost identical to the one made by Billy Thomas Adams and L. W. Cowan in a July 2, 1952 escape. Ralph and Johnson broke from the jail by going to the top room of the tower where they loosened the mortar between the bricks and pulled them from the wall, making a hole about 11 inches square. The men evidently squeezed through this hole, dropped to the roof, crossed the roof and then slid down a pipe that runs up the side of the jailhouse.

Sheriff Black said the men had torn a rung from a steel cot to use as a tool in loosening the mortar between the bricks. They did not go out one of the barred windows but went straight thru the wall between two of them. They went through at a point about eight feet from the spot where Adams and Cowan broke out.

As the sheriff had been away on calls during the night, Ralph and Johnson had opportunity to work unwatched. Outside of the sheriff, there is no other jailer or watchman hired by the county to help keep the necessary 24-hour vigil.

Jesse Ray Stevens Completing Airman Course at Lackland

Jesse Ray Stevens, 19, son of Mr. and Mrs. C. E. Stevens, 204 N. College St., Cameron, is completing his AF basic airman indoctrination course at Lackland Air Force Base, the "Gateway to the Air Force."

Lackland, situated near San Antonio, is the world's largest air force base, site of Air Force basic training, for men and women, headquarters for the Human Resource Research Center, and home of AF's Officer Candidate School.

Farm Bureau Asks Eisenhower to Aid In Drouth Relief

Waco.—The Texas Farm Bureau Federation asked President Eisenhower June 18 to "give serious consideration" to five proposals designed to alleviate the hardship suffered by livestock producers in the drouth-stricken area of the state.

In a telegram to the chief executive, the TFBF board in session in Waco requested that immediate emergency measures be instituted to "relieve this drastic situation." The message, signed by President J. Walter Hammond, contained the following

proposals:

1. That the drouth-stricken portion of the state be declared a disaster area.
2. Provide through existing channels, or otherwise, a system of credit to enable livestock producers to maintain possession of foundation herds.
3. Provide necessary long-term credit for essential feed.
4. Make available surplus CCC feedstuffs at prices as low as those offered to foreign countries.
5. That the United States Department of Agriculture initiate a beef-purchase and promotion program that will restore confidence, strengthen the market and tide the industry over this emergency.

The telegram also urged that

Bad Case of the "Ztutters"

Our copyboy is out sick. So the editor (me) is taking over some of his chores—which include running the addressing machine on "mailing-out night."

Last week I didn't have the usual number of papers left over for sale at the office. Couldn't figure what had happened—until Chub Zimmer called to ask why he'd gotten 56 copies.

Then I realized—"Zimmer" is the last name the machine prints. Guess I forgot to turn it off... and it just kept grinding out Chub's name on all the remain-

ing copies. That machine just didn't know when to stop.

From where I sit, people are like that sometimes. They often don't know when to stop. Like those who are prejudiced against someone with an accent, perhaps... or against someone who likes a cool bottle of beer with his supper. So, in these columns I try to persuade everyone to "throw the switch" on prejudice so it won't get repeated.

Five Cameron Boys To Receive Awards At FFA Convention

Cowtown has the welcome mat rolled out for Texas Future Farmers.

When 3,000 farm boys, including several from Milam County, swarm into Fort Worth next month for the 25th annual convention of Texas Future Farmers, they'll find a full program arranged for their entertainment and diversion.

Leroy Thompson, vocational agriculture teacher, announced that Leonard Doskocil, Leroy Franklin, Victor Mueck, Cecil Hill, and Bobby Powell would receive state awards at the convention.

Full convention sessions already have set up by the state FFA officers headed by President Joe Dan Boyd of Winnsboro so official delegates to the session July 22-24 will find their schedules full.

But fun won't be forgotten at this FFA Silver Jubilee session as all the boys attending the convention will be guests at a Fun Night session at Hotel Texas on July 22.

A Fort Worth committee head-

a "thorough investigation be made of the disparity between producer and consumer prices" by Agriculture Secretary Benson's Livestock Advisory Committee which was to meet June 20 in Chicago.

The directors stated that livestock producers and credit agencies in this state "prepare for ordinary drouths, but this unprecedented drouth has not only depleted ranges of forage, but has also depleted the sources of credit."

The telegram added that the situation has become so drastic that it has caused a near panic in the movement of livestock to market.

"We feel that this situation is temporary, but that if not halted immediately, will result in the forced sale of breeding herds which would eventually be reflected in higher prices to consumers. In addition, it could wreck the economy in a vast livestock-growing area," the telegram stated.

FARM CENSUS ISSUED

Report on the Farm Census of 1950 has just been issued. It shows that, when the census was taken, Texas had 331,567 farms. That was 86,435 fewer than in 1940. But this smaller number of farms took in 7,705,642 acres more than the larger number of 1940—for a total of 145,389,014 acres.

ed by Dr. C. R. Lees has arranged for a full evening of entertainment and plenty of refreshments for the boys who will attend.

The annual Lone Star Farmer banquet will be held July 23. The exhibit building at Will Rogers Memorial Center on Fort Worth's west side will be the site of this banquet. The building will handle several thousand people and plenty of room will be available for all wishing to attend.

The more than 600 Lone Star farmers will be honored at this occasion. Lone Star Farmers are the FFA members who have attained the highest degree of proficiency in their work.

Seven winners of scholarships presented by various Texas firms and organizations will be announced during the meeting.

The Fort Worth Farm and Ranch Club, which is serving as official convention sponsor, will present a special \$300 scholarship to one of the outstanding Future Farmers.

Jimmy Dillon of Jones, La., national FFA president, will attend the convention and will be a speaker at the annual banquet.

There are 36,000 Texas FFA boys from more than 800 Texas schools. Most schools are expected to be represented at the convention.

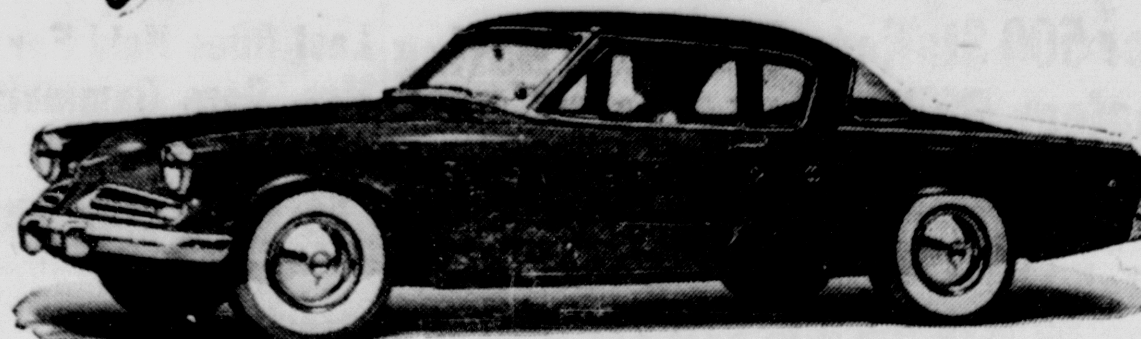

Leland Tindall visited in Austin over the weekend.

Mrs. Eliene Hobson and children of El Paso and Mr. and Mrs. Wilson Crittenden of Waco were Thursday guests in the home of Mrs. Maud Crittenden.

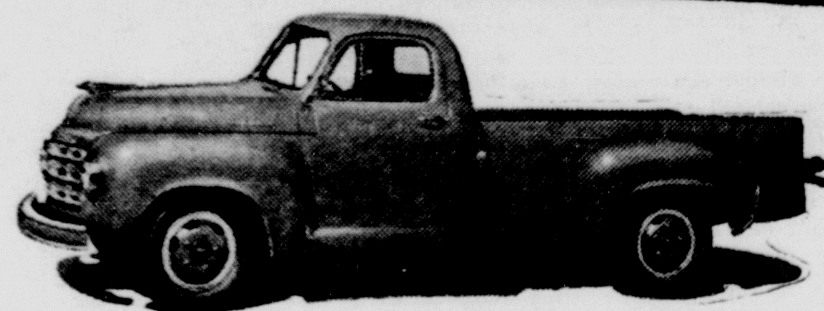

Trip Stroup, little son of Mr. and Mrs. L. W. Stroup of Fort Bragg, North Carolina, is recovering from a tonsilectomy in St. Edward Hospital.

Richard Wardlaw, son of Mr. and Mrs. Tom Wardlaw, left Fort Lewis, Washington on June 19, for a destination in the Far Eastern Command. He supposed their first stop to be Japan.

DON'T GAMBLE WITH WEEVIL KILL! USE dieldrin... the only organic insecticide recommended after weevil migration in the Lower Rio Grande Valley.

1952 was the worst weevil year in Lower Rio Grande history, but growers who used dieldrin came out of the season with a profitable crop. Dieldrin's sensational performance last year got official recognition. Put this proven power to work for you!

Top performance—Research and experience at Texas experiment station show dieldrin is superior in killing weevils, particularly under extreme climatic conditions. That's why in the Lower Rio Grande Valley where boll weevil is traditionally tough, dieldrin is the only organic poison officially recommended after weevil migration.

Highest boll weevil kill—Dieldrin gives the highest mid and late season boll weevil kill. From the

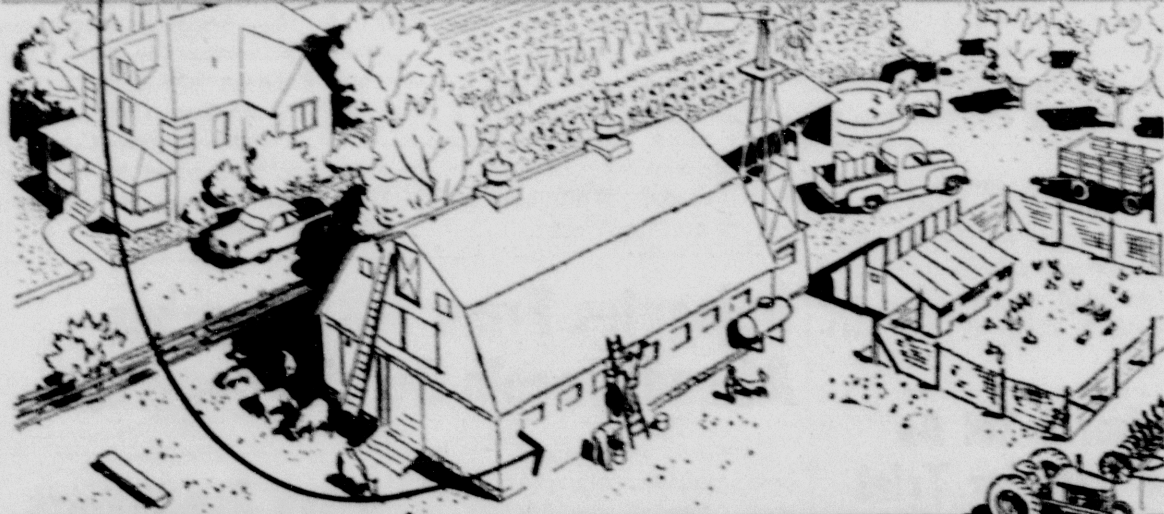

beginning of the season to the end of the season, no other insecticide controls cotton insects as completely as dieldrin-DDT.

Long residual action—No other cotton poison lasts as long even under normal conditions. Research at Texas experiment stations has proved that no other poison can equal dieldrin's lasting control in hot, dry, windy areas. Dieldrin is effective up to 7 days and even rain has less effect on dieldrin's killing power than on other poisons.

Don't take chances this season... be sure your insecticide dollar gets you highest cotton yield per acre. Get dieldrin now!

SHERIFF'S SALE

THE STATE OF TEXAS
COUNTY OF MILAM

By virtue of a certain Order of Sale issued out of the District Court of Dallas County for the 101st Judicial District of Texas at Dallas on the 28th day of May, 1953, on a judgment rendered in said court on the 22nd day of April, 1953, in favor of BAPTIST FOUNDATION OF TEXAS, a corporation, and against CRAZY WATER COMPANY, INC., for the sum of Thirty-Three Thousand Four Hundred Nine Dollars and Seventy-Five Cents (\$33,409.75) and costs of suit in Cause No. 64,976-E, styled Baptist Foundation of Texas vs. Crazy Water Company, Inc., and placed in my hands for service, I, CARL C. BLACK, as Sheriff of Milam County, Texas, did, on the 8th day of June, 1953, levy on said real estate situated in Milam County, Texas, and described in said Order of Sale and in the said judgment, which property is described as follows:

The following tracts out of the J. J. Liendo 4 League Grant, lying and being in the County of Milam, State of Texas:

FIRST TRACT: ½ acre conveyed to Thorndale Marvel Wells, Inc., by W. Tagel by deed of April 26, 1926, recorded in Book 180, page 507, Deed Records of said county.

SECOND TRACT: Right-of-way through the lands of Wm. Heintze and Wm. Koehler, described in a deed from W. Tagel to Thorndale Marvel Wells, Inc., of record in Book 180, page 509, said county.

The above two tracts being particularly described in a deed from Thorndale Marvel Wells, Inc., to Marvel Wells, Inc., of September 14, 1927, recorded in

Book 185, page 566, Deed Records, said county.

THIRD TRACT: 8.17 acres of land conveyed by Charlie T. Moerbe and wife to Marvel Wells, Inc. on October 20, 1930, by deed recorded in Book 198, page 481, Deed Records, said county.

FOURTH TRACT: 6 acres conveyed by Wm. Heintze and wife to Marvel Wells, Inc. on November 21, 1932 by deed recorded in Book 295, page 87, Deed Records of said county.

FIFTH TRACT: 19¼ acres conveyed by Julius Finn and wife to Marvel Wells, Inc. on April 12, 1934, by deed of record in Book 209, page 333, Deed Records of said county.

SIXTH TRACT: 2.65 acres described in a deed from Chas. T. Moerbe and wife, Emma, to Marvel Wells, Inc. on October 22, 1934, by deed recorded in Vol. 12, page 240, of the Deed Records of Milam County, Texas.

SEVENTH TRACT: All oil, gas and other minerals and mineral rights only in 8.85 acres described in a deed from Wm. Heintze and wife to Marvel Wells, Inc. on April 12, 1934, by deed of record in Book 209, page 385 Deed Records of said county.

The above property was levied on as the property of the defendant, Crazy Water Company, Inc., and on Tuesday, the 7th day of July, A. D. 1953, at the courthouse door of Milam County, Texas, in the City of Cameron, Texas, between the hours of ten o'clock A. M. and four o'clock P. M., I will sell said property at public venue for cash to the highest bidder, as the property of said Crazy Water Company, Inc. by virtue of said levy and of said Order of Sale.

And in compliance with law, I give this notice by publication in the English language, once a week for three consecutive weeks immediately preceding

Saturday, March 31, 1953
Dear Herbert, Lena, and Rocky,
Just a few lines to say hello. How's everything back in Milam county? Guess you all are pretty busy in the field now. It won't be but a couple or more weeks until you all will have to start planting cotton, if I remember correctly, ha ha! How does Herbert like his little popping Johnny? I'll bet he sure likes that power lift. How is Rocky getting along? Bet he still gets into a lot of mischief!

I received that box of cookies yesterday. They sure are delicious. Thanks a million, and tell the other ladies thanks, too, will you?

As for me, I'm still getting along just fine. We are still op-

Alcoans Donate 79 Pints of Blood To Red Cross Program

Alcoa employees donated 79 pints of blood to the Red Cross Mobile Unit Wednesday in Rockdale.

Mrs. Grady Stidham of Cameron was volunteer supervisor for this Milam County project. W. C. Freeman, V. T. White, and E. S. Hollingsworth of Maysfield were other helpers not from Rockdale.

Rockdale residents assisting with the blood program were:

Doctors: T. S. Barkley, T. C. Green, J. T. Richards, H. S. Woods, and E. L. Smith.

Nurses: Mrs. Don Jackson, Mrs. Billy Mitchell, and Mrs. Ruby E. Brown.

Volunteer helpers: Mrs. T. S. Barkley, Mrs. Louis B. Jones, Mrs. H. S. Woods, Mrs. George Bredt, Mrs. Gus Backhaus, Mrs. Bill Summers, Mrs. Henry Tyler, Mrs. Charles Tunnell, Mrs. Sam Perry, Mrs. Louis Gest, Mrs. B. C. Hanks, Mrs. Sam Peebles, Mrs. Lettie Smith, Mrs. O. G. Watson, Mrs. Collier Pearson, Mrs. Gordon Simmons, Mrs. Larry Gore, Eleanor Warren, Mary Lyda Wyatt, Ruth Kirk, Peggy Nell Koch, and Amanda Lou Kyle.

Last week plans were completed for the Red Cross Unit to come to the Aluminum Company of America plant to accept donations from employees. Mr. R. R. Sugg stated the Alcoa management is quite pleased with the way Alcoans responded to the program of supplying blood for Milam County's needs. Mr. Sugg, production superintendent of the Rockdale Works, and C. L. Green, industrial engineer, assisted with the arrangements and explained the program to the employees.

Blood is especially needed at this time to be processed into gamma globulin which is used to fight polio, now that the polio season is beginning in earnest. Another present demand is for serum albumin for treating shock cases both on the battlefield and in civilian accidents and operations. Serum albumin is much safer for use than ordinary plasma.

Other uses for the blood collected this year are for personal and family needs, to supply our armed forces, and to provide emergency reserves for disasters such as the recent Waco tornado.

Knights of Columbus Elect New Officers; Plan July 19 Picnic

The Knights of Columbus recently elected new officers. They are: Grand Knight, Edward Schiller; Deputy Grand Knight, Everett Beards; Chancellor, Andrew Voltin, Jr.; Advocate, H. Schattler, Jr.; Warden, Emil Hollas; Recording Secretary, F. Heitman, Jr.; Treasurer, Lawrence Polzer; Inside Guard, Pete Susik; Outside Guard, S. J. Wohleb; and 3-Year Trustee, Rudy Michalka.

Trustees now in office are B. A. Slavik and Charles Belson. The appointment of Financial Secretary, Chaplain and Lecturer will be by new Grand Knight.

The Cameron Knights of Columbus wish to announce that their annual public picnic will be held Sunday, July 19, on the grounds of the Knights of Columbus Hall west of Cameron. This affair, begun in 1952, has been a great success.

Plans are being made for both dinner and supper to be served. There are plenty of shady trees, making it a fine place for picnics. As additional attractions, there will be entertainment during the day and a big dance at night.

The program for the day will be announced later through the local papers.

Rockdale Is Due Mail Delivery By End Of Year

If predictions of Postmaster Clyde Franklin materialize Rockdale will have city mail delivery service by end of year.

The Rockdale office will advance to first class on July 1, after being second class for 42 years. Post Office box fees will advance in accordance to the base across the nation, but the Post Office Department, by special order, has rescinded the advance in Rockdale on July 1, for one year because of the change of first class designation.

Mrs. Alphonse Mikulec of Cameron has been a recent patient in St. Edward Hospital.

Rain Flurries Over State; Temperature Continues to Be High

Although scattered thunderstorms dropped temperatures in parts of Texas, temperatures Friday continued to be high over the state generally.

High winds blew into Vernon at 3 p. m. Friday, causing minor damage to roofs and television antennas and knocking down trees.

Nn injuries were reported. A downpour of rain followed the wind but lasted only a few minutes. About .50 of an inch fell.

Electra reported .25 in a 30-minute period between 5 and 5:30 p. m. A high of 104 degrees dropped to the middle 70s when the rain started.

East Wilbarger County and west Wichita County had rains generally and high winds.

Showers also well in Wichita Falls and southward to north and west of Abilene.

Winds up to 45 miles an hour accompanied the thunderstorm at Wichita Falls.

Seymour had .48 of an inch of rain, and the temperature dropped from 104 to 75 degrees.

Dust obscured the Panhandle sky and the western portion of the state late in the afternoon. Visibility dropped to one and a half miles at 5:50 p. m. at Lubbock, two miles at Dalhart and Childress and three miles at Amarillo.

The dust swept as far south as Brownsville. The Weather Bureau said the frontal weather would move on eastward but probably would weaken and dissipate in Central Texas, bringing little hope for rain or heat relief.

Eight Cases Measles Last Week in Milam

Eight cases of measles led the list of communicable diseases submitted by Dr. E. S. Freeman, Director of the Milam County Health Unit.

Others reported for the week ending Saturday, June 20 were three cases of strept throat, two of gonorrhea, and one of pneumonia.

THE LITTLE RIVER PHILOSOPHER PUT OUT OVER GOVERNMENT OFFICIAL'S IDEA ON HOW TO CUT DOWN ON EXPENSES

Editor's note: The Little River Philosopher on his Johnson grass farm at Marlow no doubt is misinterpreting the intentions of the man he's writing about this week, which is not unusual with him.

Dear editor:

I was out here the other day speculating on the economic situation, when a man ain't never quite made ends meet, and discussion of times getting harder or better is mostly academic, it's like worryin over what the fare

is doin' me. I put a few words in the paper about it, and I was surprised to find it in the paper. I was surprised to find it in the paper. I was surprised to find it in the paper.

Over on an inside page I read where some government official was discussin the same thing I'd been thinkin about, the economic situation, and his advice was that while there's nothin to get panicky about, things may be tightenin up a little and he was advisin people to cut down a little on expenses.

Now cuttin down on expenses is sound advice, I probably could have thought of it on my own, but what disturbed me about this man's advice was his ideas of how you ought to go about cuttin down on expenses.

"When most men think about cuttin expenses, the first thing that crosses their minds is trimmin the wife's grocery list," he said, and then added, and this it what burned me up: "But most any man can trim his own expenses by workin more, doing with less cigarettes, and going to

a few less rodeos."

It seems to me that government is goin too far when one of its employees makes a statement like that. Trimmin expenses by working harder is like goin to Mayo Brothers to cure an ingrown toenail. Trimmin expenses may be important, but there ought to be some other way to do it without workin harder. I'd just as soon let em pile up. In fact, workin harder ain't necessarily the way to do it anyway. The last year I worked hard, which was fourteen years ago, I plowed more land, planted more acres, and wound up with the shortest crop of my life. Most expensive year I ever had.

What I say is, let the government, which really ain't in much shape to be advisin anybody on how to cut down on expenses, figure out its solution but let me figure out mine. Cuttin down on smokin and rodeos ain't necessarily the answer either. Winston Churchill smokes twelve one-dollar cigars a day, and he ain't in a financial strain. Gene Autry attends rodeos nearly every week, some times even seven

times a week, and look where he is.

Personally, I don't want to vary my diet, but I would like to see my grocery bill cut a little.

Yours faithfully,
J. A.

MRS. WILLIAM HENRY KOLTER, JR.
To Make Home in Houston

Miss McClellen and Mr. Kolter Married in Church Ceremony Friday

Before a background of tall tapers twined with huckleberry foliage and white flowers Miss Mary Neil McClellen became the bride of William Henry Kolter, Jr.

The evening ceremony was performed Friday, June 19, by Rev. George Lozak of Fort Worth, former roommate of the groom, in the South Main Baptist Church in Houston. He was assisted by Rev. Eugene Chamberlain of Kennedy.

The bride is the daughter of Mr. and Mrs. H. B. McClellen of Cameron. The groom's parents are Mr. and Mrs. W. H. Kolter of Houston.

Music for the ceremony was

provided by Miss Betty Reuver of Ranger, organist, and Kenneth Howard of Waco, soloist.

Given in marriage by her father, the bride wore a gown of white Chantilly lace over satin, an original by Marie. It was created with a shadow yoke, portrait neckline shirred in scallops, short cap sleeves, and sculptured bodice. The long gloves of matching lace ended in points. The diaphanous skirt revealed a pleated dust ruffle of nylon tulle and formed a brief train.

Suspended from a tiny cap enhanced by white lilacs was a fingertip veil of illusion. Her bouquet was a shower of white phalaenopsis orchids interspers-

ed with lily of the valley and stephanotis.

The bride was attended by Mrs. Bill Holbert of Houston as matron of honor, Miss Anita Hood of Mesquite and Miss Laverne Davis of Houston as bridesmaids. They wore identical dresses of aqua tulle fashioned with shirred bodices and bouffant skirts. Matching headdresses and short white gloves completed their costume. Each carried a cascade bouquet of gold glammellias tied with gold ribbon.

The groom's attendants were Harry Terwilliger of Houston as best man, John Henry Wootters, Jr. of Houston and Steve Wheel-less of College Station as groomsmen. Ushers were Bryce McClellen of Cameron, brother of the bride, James Coyle of San Antonio, and Odom Ballard of Freeport.

The bride's mother chose a gown of powder blue with matching accessories. Her corsage was of pink carnations.

The mother of the groom was attired in a gown of American beauty with matching accessories. She wore a corsage of white gardenias.

Following the ceremony a reception was held in the church patio, graced by hurricane lamps trimmed with white flowers. The refreshment table held a three-tiered wedding cake and a large punch bowl resting on a garland of green leaves. The cake was topped with a bouquet of white icing roses tied with real maline and ribbon.

In the house party were Misses Martha Ferguson and Randa Kerr of Houston, Helen Jordan of Camilla, Betty Reuver of Ranger, and Martha Black of Cameron.

At the close of the reception the couple left on a wedding trip to West Texas. For her travel ensemble, the bride chose a pink linen suit, white nylon blouse, navy straw hat, and navy shoes and bag. Her corsage was of phalaenopsis orchids.

Upon their return, Mr. and Mrs. Kolter, Jr., will make their home at 3309 Perdue, Apartment 2, Houston.

Mrs. Kolter received her AB degree with a major in biology from Baylor University in Waco, studied medical technology at the Methodist Hospital School of Medical Technology in Houston, and is now employed as a medical technologist. While at Baylor, she was a member of Tau Beta Sigma, A Capella Choir, Radio Choir, and was president of Beta Beta Beta, national biological society during her senior year.

Mr. Kohler received both his

Miss Beverly Mondrik

Dr. and Mrs. Frank Mondrik of Longview announce the engagement and approaching marriage of their daughter Beverly to Samuel Jagoda, Jr., son of Dr. and Mrs. Samuel Jagoda of Fort Worth. The wedding will be solemnized at Trinity Episcopal Church, Longview, on June 27.

Miss Mondrik received her bachelor's degree at the University of Texas where she graduated with highest honors. She was a member of Chi Omega Sorority and of Alpha Lambda Delta and Phi Beta Kappa scholastic societies.

Mr. Jagoda is a student of medicine at Baylor University, Houston, where he is a member of Phi Chi Fraternity and the Osler Society. He received his bachelor's degree at Tulane University, New Orleans, and his master's degree at the University of Texas. At Tulane he was a member of Sigma Alpha Epsilon Fraternity.

Miss Mondrik is the granddaughter of Mrs. F. C. Mondrik of Cameron. Kay Mondrik, daughter of Mr. and Mrs. A. J. Mondrik of Cameron, will be one of Miss Mondrik's attendants.

Mrs. Josephine Urban recently underwent surgery in St. Edward Hospital.

Mrs. Laverne Havilik recently entered the St. Edward Hospital for medical treatment.

Miss Dora Webb was admitted to Newton Memorial Hospital on June 22 for surgery.

AB and BS degrees from Baylor University in Waco. He is now attending Baylor University College of Medicine in Houston, where he is a member of Phi Chi medical fraternity and the Baptist Student Union Council. He has previously served a year and a half in the army.

Miss Bouldin, Bride Elect of Lt. Hanes, Names Attendants

Miss Barbara Ann Bouldin, bride-elect of Lt. William Travis Hanes, Jr., announced her attendants Wednesday.

Miss Bonnie Bliss Bertrand of Houston will serve as maid of honor, with Mrs. O. W. Hungerford, the former Nancy Hunt of Houston, as matron of honor. Mrs. Hungerford is a cousin of the bride-to-be.

Bridesmaids will be Georgia Ann Kennerly of Houston, Carol Anne Laubon of Tulsa, Okla., Mary Duvall of Fort Worth, Katherine Snow of Houston, Kathleen Grant of Baytown, and Jaramy Cartledge of Nacogdoches, a cousin of the bride-elect. William Travis Hanes of Cam-

eron will serve as his son's best man.

Groomsmen will be Lt. Robert V. Plank of Beatrice, Neb.; Kenneth Hanes of Wichita Falls, a cousin of the prospective groom; Ensign Jack Catlett of Decatur, Ala.; Ensign Edward F. Best of Bessemer, Ala.; Lt. A. L. Villaret of Bergenfield, N. J.; Lt. R. G. Harrison of Corpus Christi and T. J. O'Neill of Cameron.

Mrs. Morgan Layfield of Cameron and William Layfield of Houston will be soloists for the June 26 ceremony in the Second Presbyterian Church at Houston.

Mr. and Mrs. Bob Curtis and two daughters, Suzanne and Janice of Houston are visiting relatives in Cameron for a few days. Mrs. Curtis is the former Sue Kirk.

TEXAN PARADE

THE HEADLESS HORSEMAN OF TEXAS

Many Texas bad men have come to strange and terrible ends. But it will probably be a long time before anything tops the fantastic demise of a Mexican horse thief named Vovoi, alias Vidal. He lost his head literally and figuratively. And, believe it or not, he kept right on riding without a head on his shoulders. Instead it rested atop the pommel of his saddle, still wearing a hat.

It seems that three Texas citizens, in ridding the country of the notorious Vidal, reenacted the weird tale of the headless horseman of Sleepy Hollow in which Ichabod Crane was almost scared out of the country. Details of such unorthodox doings never became part of documentary history. Doubtless there is some legend mixed with this account.

Vidal, it is recorded, was a lieutenant who came to San Antonio with General Martin P. Cos's army just before the Revolution. He obviously decided here was more profit and excitement in horse rustling than in soldiering. He deserted, gathered a band of reckless men around him, and for a time was the most infamous horse thief in Southwest Texas.

He took advantage of the Comanche wars and raided the settlements while the citizens were chasing Indians. This was considered about as low down and sneaky as even a horse thief could get.

The act aroused the ire of two citizens of the San Antonio River region, to the point of desperation. They were Creed Taylor and a man named Flores; and at the hazard of leaving their homes open to Comanche attacks they picked up the trail of the sneaky rustler who had struck the community below the belt.

Before they reached the Nueces they ran into Big Foot Wallace, who, upon hearing their story, was just as "mad" as they were. He was ready to run the bandits to the end of the earth if necessary.

One evening about sundown the rustlers came upon Vidal and his gang. They kept themselves under cover and waited for the thieves to bed down for the night. The thieves were either too tired or too confident of their escape to secure themselves. Only one guard was stationed with the horses.

When all became quiet, Taylor approached the camp, observed the one guard and three sleeping forms. They decided to attack.

Flores shot the guard. And at the crack of his rifle Taylor and Wallace sprang upon the sleeping Mexicans. The fight was over in

a matter of seconds. All the thieves, Vidal among them, were dead except the guard who escaped badly wounded.

Wallace is credited with conceiving the weird idea, of cutting Vidal's head off and tying his body upon a wild horse. He had an idea this might put the fear of God and peaceful citizens into the outlaw population.

So the dead bandit's head was cut off. A beautiful, wild mustang was roped and Vidal's saddle placed on him. Then the bandit's body was tied securely with ropes on to the horse in a natural, upright position. The head, still wearing the sombrero, was secured to the saddle pommel with the hat strap.

Then one of the men gave the horse a rap across the rump with a rope, and like a thing even wilder than he was, he disappeared before a great streak of dust.

It doubtless did not take many glimpses of this gruesome apparition to start the country buzzing with tall tales. Some people thought the thing a ghost. Some took the pledge on the spot, others crossed themselves and prayed, and others followed their first and most natural instinct, and, in the fashion of Ichabod Crane, tore up the ground running.

Whatever the nature and extent of the tale, it inspired the writing of at least one book. Mayne Reed, an Irish captain who fought on the border during the Mexican war, based a novel upon the incident titled "The Headless Horseman or a Strange Tale of Texas." In time the horse was killed when he came to a watering place to drink. It is said that Vidal's body was full of bullet holes but still well preserved.

Dry Weather Hits East Texas Tomato Crop This Year

Tyler.—Shipments of tomatoes from East Texas this year have been only about one-third of that in 1952, it has been revealed.

As of Wednesday the Cotton Belt had shipped only 95 cars to various points from East Texas cities, compared to about 300 cars shipped at this time last year.

The Cotton Belt moved 644 carloads of tomatoes during 1952 and officials said this year the railroad will "do well to move 200."

The Missouri Pacific had moved 39 cars of tomatoes through Wednesday.

Continued dry hot weather is

leading to one of the shortest tomato crops in East Texas in years, according to J. F. Rosborough, extension horticultural marketing specialist.

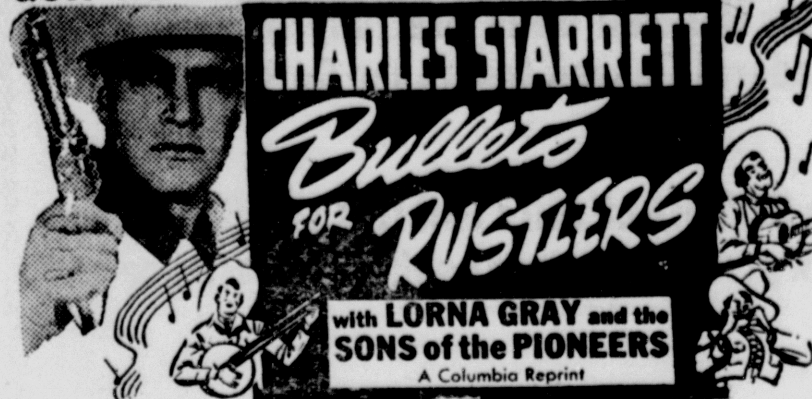

The few fruits which are developing from blossoms are small and some are beginning to show dry weather rot, he said.

He added that prices have soared above any previous record with some tomatoes having sold as high as 20 cents per pound and pink tomatoes in one-half bushels are selling at 23 and 25 cents per pound.

On the other hand, Rosborough reports watermelons are growing satisfactorily with good sized melons on some of the earlier plants.

Citizens Offered Opportunity to Vote On Price Supports

By Ted Gouldy

Fort Worth.—The first marketing day of the summer season at Fort Worth Monday was a typical blazing hot one which saw liberal receipts in the cattle yards off Texas fields and ranges. The sheep run was seasonally large, too.

Trade in the cattle yards was about on par with last week's low close, and prices were at the lowest ebb on most classes of cattle and calves in over ten years. Grainfed steers were lacking, and creepfed heavy calves and a few yearlings made up the choice fat offerings in the cattle division.

Pat and Wren Jackson, Lampasas, had two top loads of cows at \$12, that averaged 1,059, and C. P. Gray & Son, Brady, had 45 cows and heifers averaged at 1,081 lbs. that topped at \$13. Most other butcher cows sold for \$8 to \$11, and canners and cutters drew \$5 to \$8. Bulls sold from \$7 to \$12.50, odds to \$13.

Good and choice fat yearlings and heifers drew \$17 to \$22, and common and medium grassers sold from \$8 to \$15, with rannihan kinds in the \$5 to \$8 field.

Good and choice stocker steer calves sold from \$12 to \$17, and heifers sold from \$14 down. Stocker steer yearlings drew \$10 to \$14, a few to \$15. Heifer mates to steer calves and steer yearlings usually sold around \$3 under.

Good and choice fat calves cleared at \$13 to \$17, a few to \$18, and some fancy creepfed yearling weights to \$20.50, from Lloyd Henshaw of Iredell. Common and medium kinds sold for \$8 to \$12, and culls drew \$5 to \$8.

Sheep and lambs were steady, some fat lambs a little stronger. Good and choice fat spring lambs \$17 to \$23, and common to medium sorts \$10 to \$15, with culls from \$5 to \$10. Stocker and feeder lambs \$9 to \$14.50.

Fat yearlings \$9 to \$13, and culls around \$5 to \$8. Feeder yearlings \$10 down. Old wethers \$6 to \$8. Old ewes \$3 to \$4.50.

Hogs topped at \$25 to \$25.50. Sows drew \$18.50 to \$22, and feeder pigs sold at \$20 downward.

Citizens of Colorado and Texas are being offered the opportunity to express their views as to the agricultural program this week through publication of a ballot in their weekly papers and in Texas, the editors of the home town papers are helping in the survey.

The secret ballot, which need not be signed, is being carried this week in regular edition. The reason for this poll is the apparent differences of opinion between some organized groups and the rank and file producers who say that statements of a few members of these organizations do not reflect the true feelings of the majority of the livestock producers and farmers.

The state livestock paper of Colorado, The Denver Record-Stockman, last week ran the ballot. A partial count of the ballots revealed that 43 percent voted in favor of livestock and grain supports. Thirty-eight percent favor removal of all supports. Only one and one-half percent favor the present rigid supports of grain, while livestock remains unsupported. Let's see how Texans feel about it and what type program is favored.

The Cameron Herald will cooperate in this poll and Ted Gouldy of the Live Stock News Service in Fort Worth has offered to tabulate the returns from

the some 350 Texas county newspapers and we will carry a complete story of the results of the Texas opinion poll when this is completed.

The ballot is secret, you need not sign it.

Check I FAVOR

- One
- ☐ 1. I favor removal of all price supports in agriculture.
 - ☐ 2. I favor price supports on cattle, hogs and sheep as well as other agricultural commodities.

Kin of Cameron Man Dies in Truscott

W. P. Westmoreland of Truscott, Texas died Saturday, May 16, 1953. He had been in ill health for several years.

Mr. Westmoreland was a brother of the late J. T. Westmoreland of Cameron, uncle of Earl Westmoreland of Cameron, and brother of Hugh Westmoreland of Waco.

A native of Mississippi, he was born September 7, 1865. After spending many years in the Cameron and Rockdale areas, he moved to Truscott in 1908, making his home on his farm 6 miles from town. He was a respected and admired citizen of his community.

He is survived by a large number of nieces and nephews.

Many relatives from Munday and Haskell attended the funeral services.

home of Mrs. Dennis Klein.

After the Home Demonstration Club business meeting ended, the 4-H Club meeting began. Their election of officers for the coming year. They are: President, Jacqueline Heugatter; Vice-President, Melba Tubbs; Secretary-Treasurer, Carolyn Hensel; Recreation Leader, Gladys Johns; Reporter, Geneva Vibyral; and Council Delegate, Bernice Rothe.

The club voted to pay 10c each to the National 4-H Club Center.

A party for Saturday night, June 27 was planned by the girls. It will be held in the Ernest Rothe pasture. The local 4-H boys will also be invited.

The following 4-H girls were present for the meeting: Bernice Rothe, Carolyn Hensel, Joyce Vibyral, Geneva Vibyral, Jacqueline Heugatter, Sarah Jo Futschik, Geraldine Kahlig, Dorothy Kahlig, Ruth Driscoll. Mrs. Roy Schonhreff is sponsor of the group.

Poage Takes Slap At Justice Douglas' Opinion On Spies

Congressman W. R. Poage took a left-handed slap at Supreme Court Justice Douglas Friday when he made the following statement:

"The Supreme Court has just restored some degree of confidence in, and respect for, the Judiciary of this country. Mr. Justice Douglas, the man who handed down the opinion which tried to take our Texas Tidelands away from our State, issued a stay of execution in behalf of the atomic spies, Julius and Ethel Rosenberg, on the theory that there was reasonable doubt that they had been convicted under a valid law. He did this just two days after the full Court had, for the fourth time, refused to find anything wrong with the proceedings. I am happy that seven other members of the Court repudiated his distorted reasoning."

"I wish it were possible for all our people to see the ridiculous demonstrations which have been put on here in Washington by Communists and Fellow-Travelers in behalf of these convicted spies. Yesterday the Capitol Grounds were covered with a mob from New York City. Hundreds of them filled the Supreme Court building. Hundreds of others have been picketing the White House for days. Somebody paid the bill for sending these people down here—and that bill must have been quite a sum. I want the House to investigate the source of these funds. I have an idea much of the money came from the Soviet Embassy. If it did not, we should know that Americans are so interested in creating discord and misunderstanding of we should know what Americans pay for these Communist demonstrations."

Misses Sandra Lee and Julie Marie Krupicka of Waco have spent the past week visiting their parents, Mr. and Mrs. Vince Krupicka of Buckholts.

Bassett Watson Is Board Chairman For Waco United Fund

Bassett Watson was elected chairman of the Board of Waco United Fund last week at a meeting of the 60-member group of directors.

Born and raised in Cameron, he is the son of Judge John Watson.

Watson succeeds Walter G. Lacy, Jr., who made an optimistic final report on operation of the United Fund idea of "giving once for all good causes" in its first year.

Lacy and Watson, and Gordon Rountree, United Fund campaign chairman for this fall, each sounded the keynote of the inspiring response of Waco citizens to the "once for all" idea and the need for broadening the number of contributors on even a larger scale.

The Waco United Fund raised more than \$435,000 for 25 agencies and participating causes, including the Red Cross, last fall.

Wallace Underwood of Gause came to Cameron Friday on business.

W. R. Murrell Dies Suddenly at His Store in Calvert

Walter Robert Murrell, 64, died suddenly at his store in Calvert Thursday at 8 a. m.

Mr. Murrell was born in Frio County, Texas August 22, 1888, and had made his home in Calvert for the past 17 years. At the time of his death he was in the grocery business.

Graveside services will be held Friday, June 19 at 5 p. m. in Sunnyside Cemetery in Calvert, with Rev. Eugene Marley, pastor of the First Baptist Church of Calvert, officiating.

Green Funeral Directors made the arrangements.

Survivors are his widow, Mrs. Jennie Murrell; two daughters, Mrs. L. A. Valentine of Seattle, Washington and Mrs. Alvin Johnson of Blue Sky, Alberta, Canada; three sisters, Mrs. Annie Cones of Grand Junction, Colorado, Mrs. Wallace Murrell of Moorpark, California, and Mrs. J. B. Culpeper of Calvert; three grandchildren and one great-grandchild.

Singing June 28 At Lawrence Chapel

The Sandy Land Singing Convention will meet on Sunday, June 28, at Lawrence Chapel between Lexington and Taylor.

There will be a full day of singing beginning at 10 a. m. and continuing after lunch from 1:30 to 4 p. m.

A picnic lunch will be spread at noon. Everyone is invited to come and participate or to listen.

Juana Rangel has re-entered the Newton Memorial Hospital for medical treatment.

Mr. and Mrs. James F. Fatheree and children, Jimmy and Beth, of Austin are here on a visit to Mrs. A. Fatheree's grandmother, Mrs. W. Bickett, and other relatives and friends.

WSCS Has Annual Student Program On Monday Afternoon

The WSCS of the Methodist Church had its annual program on Student Work, Monday, June 15 at 4 p. m. It followed the observance of Student Recognition Day on Sunday.

Mrs. John Henderson, secretary of Student Work in the WSCS, was in charge of the afternoon's program. To open the program the group sang "Are Ye Able," accompanied by Susan Rosson, graduate of Southwestern University at Georgetown. Dr. Mark Magers, pastor of First Methodist Church, then led in prayer.

Bob Peacock, a ministerial student at Southwestern University, brought the devotional.

The following young men made talks about religious work on their respective campuses: William Robinson, Virginia Military Institute; Raymond McLeod, Baylor University; John B. Henderson, Jr., University of Texas; and Albert McCullin, Jr., a ministerial student from Southwestern University.

Mrs. Henderson, in her remarks between each of the speakers, stated that there are 300,000 Methodist students on the college campuses of America today. She brought out the fact that these and other students will guide our future to chaos or to Christianity. In talking about the Methodist Student Movement, she said that there are also about 25,000 students from overseas on the college campuses.

Mrs. Henderson quoted Dr. John R. Mott who said "As goes the campus, so goes the nation." At the close of the meeting the women of the WSCS served pound cake and fruit punch.

Donald Rose, Billy Newton, Edward Brady, Charles Walston, Billy Joe Reynolds, and G. Childress spent Sunday afternoon in Belton.

Pay more? What for?

Fifty Years Forward on the American Road

You don't have to pay costly-car prices for costly-car comforts.

Ford brings you everything [and we mean everything] you've ever wanted in a car, at a price that's well within your reach! And according to recent surveys, a Ford returns more of its original cost when sold than any other car at any price!

Here are a few of the "Worth More" advantages you'll find in the '53 Ford:

1. A V-8 engine—powerful and smooth!

Ford's famous high-compression V-8 is a leader in quiet, flexible, economical performance. Ford, remember, has built more V-8's than all other makers combined—over 13 million!

2. America's most economical Six engine!

If it's a Six you want, Ford offers you the high-compression, low-friction Mileage Maker... the engine which, with optional Overdrive, won over all other cars in this year's Mobilgas Economy Run!

3. America's finest and most versatile automatic drive!

Fordomatic Drive is the "auto-

matic" which gives you both the get-up-and-go of automatic gears and the smoothness of a fluid torque converter.

4. Automatic gas savings!

Ford's Automatic Power Pilot (on Six and V-8) meters just the right amount of gas, times ignition precisely, burns fuel evenly and completely.

5. America's newest and finest power steering!

Ford's Master-Guide power steering gives you new ease, stability and safety in guiding your car on smooth roads or rough. Steering is up to 75% easier.

6. Largest choice of models in the low-price field!

Ford alone gives you a choice of

18 different models... a SIX or V-8... Fordomatic, Conventional or Overdrive... the widest variety of body, color and upholstery combinations.

7. A body that's the style-setter!

Only Ford in its field gives you the advantages of a hull-tight Crestmark Body... the trend-maker in design and beauty. Ford's body is the longest and Ford's trunk, the largest.

8. Now driving conveniences!

Ford's first in its field with "Worth More" features like... easier-acting, suspended pedals that eliminate floor holes... foam rubber cushions on front and rear seats in all models... and convenient Center-Fill Fueling.

9. An automatically controlled ride!

The wide front tread (widest in

the low-price field) takes tilt out of turns... gives you a more level ride. With new "balanced suspension," new spring and shock absorber action and new rubber compression bumpers, road shock in the front end alone is reduced up to 80%.

10. It's worth more when you sell it!

An impartial survey of used car prices proved that Fords return a greater proportion of their original cost than any other cars in America.

But don't take our word for it. Stop in and Test Drive this Ford for yourself. We predict you'll be sold before you're in second! It was true last year and it's even truer this year: you can pay more, but you can't buy better than Ford.

WORTH MORE WHEN YOU BUY IT...
WORTH MORE WHEN YOU SELL IT...
